Evertz supports NAB's decision to cancel NAB SHOW 2020

Burlington, Ontario — MARCH 11th, 2020 – Evertz, the global leader in media and entertainment technology solutions, supports National Association of Broadcasters' (NAB) official [announcement](#) of the cancellation of this April's NAB Show in Las Vegas due to health and safety concerns related to the growing COVID-19 coronavirus pandemic. Evertz recognizes that this was a difficult decision and is committed to working with the NAB team on overcoming this unforeseen challenge.

"The annual NAB Show represents the showcase event on our calendar, and we always look forward to participating in it every year for the past 20 years," said Chief Executive Officer, Romolo Magarelli. "We use the event to launch new innovative solutions and technologies and to interact with our partners and customers. We fully support the NAB team and the difficult decision they made to cancel the show in April. We applaud them on emphasizing public health and the safety of all participants."

All partners who had booked product and sales meetings at NAB Show will be contacted by their Evertz representative to reschedule.

About Evertz

Evertz Technologies Limited designs, manufactures and markets video and audio infrastructure solutions for the television, telecommunications and new-media industries. Evertz provides complete end-to-end solutions to content creators, broadcasters, specialty channels and television service providers to support their increasingly complex multi-channel digital, ultra high definition (UHD) and next generation high bandwidth low-latency IP network environments. Evertz' solutions enable its customers to generate additional revenue while reducing costs through the more efficient signal routing, distribution, monitoring and management of content as well as the automation of previously manual processes.
